Trial Discount: Squak Art Studio offers one trial class to prospective students at a discounted rate (i.e. **1.5 hours - \$25 | \$2 hours - \$30 | 3 hours - \$40**). During this class, students will draw from prepared, age-appropriate sample lessons and explore basic art skills and concepts. Introductory class credit must be used in a single class period during the session in which it was purchased. These credits are limited to one per new student.

Family Discount: We know the value of sharing art with others, and we offer discounts to encourage it. Family members paying jointly will receive a **5% discount** on their class and camp tuition. Enter the promo code ***fam-ily5*** while checking out in the online store.

Referral Discount: When a current student refers a friend who enrolls in four classes/camp days or more, both the new student and the student who referred them will receive a \$20 discount on their next tuition. Discounts cannot be combined with coupons or gift certificates.
